Email: devon@rltartinthegarden.com - David or Devon Bennett

GENERAL INFORMATION:

Booth fee: 10' x 10' space \$50, double booth \$100, plus 10% of total sales as donation to RLT. Because this is a fund raising event for RLT, **the booth rental fee and final sales donations ARE tax deductible** and are categorized as a donation. Hopefully this will also help keep booth fees really low and more in line with actual sales rather than projected sales.

Each artist will be responsible for collecting their sales, reporting their sales tax, and reporting their final sales donation. The booth fee only covers the space rental. We will not provide any set up items such as tables, chairs, etc. It is your responsibility to provide all you will need for your display. There is no electricity available for the spaces. Artists' space locations will be along the perimeter of the Rose Garden, not down the middle or in the flower paths. A canopy is not required, but it is recommended. Once artists are selected, their art will be featured and promoted on the FB page and other social media. We will also tie into RLT advertising and event information. There will be multiple food truck(s), live artist demos, bands, and musicians.

Load-in begins at 8:30am. Load-out begins at 6pm sharp and must be completed by 8pm.

This year we will have volunteers on site to help you if you need. They will be available from load-in to load-out and will also be available for booth sitting to give people a bathroom or food break.

NOTICE:

As this is a family-friendly event art that exhibits nudity, bondage, violence or cruelty will not be allowed. The promoters of the show reserve the right to have any material that they deem questionable to be removed.

Thank you so much for your interest in participating and supporting this. More detailed information will be emailed to participants immediately upon acceptance of invitation to participate. We look forward to working with you, having a fun event and raising funds for a very worthy Raleigh institution.

SPECIAL ANNOUNCEMENT

This year we're having a contest among the dealer's (participation optional). The theme of our festival is always **ROSES**. This year, we would like to encourage each displaying artist to create a **UNIQUE** piece of art – specifically for this show – **with ROSES as the theme**. A separate award and cash prize will be awarded to the winning dealer (also selected by the public).
